

HABITATION SERVICE FOR MOTORHOMES

LeisureTech is member of the Approved Workshop Scheme run by the National Caravan Club. That means we can service your Motorhome (Habitation Check) without compromising your manufacturers warranty.

ACCESSORIES & WARRANTY REPAIRS

Warranty repairs under their manufacturers terms and conditions. LeisureTech are authorised repairers for Dometic, Thetford, Alde, Truma, Teleco, Telair (and many more) so we can carry out warranty repairs under their manufacturers terms and conditions.

LPG GAS INSTALLATION

AWS Service Engineer independently trained and re-trained every five years. George is the AWS Service Engineer independently trained and re-trained every five years in LPG gas installation.

12V & 240V ELECTRICAL INSTALLATION

12v (ELV) and 240v (LV) Electrical Installations and Fault Finding for Caravans. We attend all the manufacturer training courses as and when they are run.
